TRAINING OVERVIEW FROM YOUR PROPOSITION:

The training overview is a brief summary (one or two short paragraphs) of the training and will be used as the introduction in SVETSAKADEMIN'S promotional collateral and landing pages. It should immediately grab the reader's attention and entice someone to register.

The summary should incorporate the following items:

- Explain why someone should attend
- Briefly tell them what they will learn that will assist them on the job
- Identify common problems / issues that are currently high priority in the industry that you will address
- Identify cutting-edge knowledge or future trends related to your course
